Speaker 1

The Speaker said that he had items with regards to the precept

One of the documents states the legal requirements the Council can make decisions on but there is very little information about items the Council is not responsible for.

The Speaker considers that the following items should be taken out of the precept for this year:

- Money allocated to youth
- Grass cutting
- Play areas which were previously the responsibility of Mid Devon District Council
- Leat path and path edgings

This would take a considerable amount out of precept and save the taxpayer paying twice

Chair responded that the items will be considered when looking at next year's budget
