POLICY AIM	This policy sets out the Town Council's stance regarding public participation at formal meetings and the procedures that are implemented to enable the public to raise matters at meetings of the Town Council and its committees.

1. Policy Statement

The Town Council welcomes the public attending the formal meetings of the Town Council and Its Committees and actively encourages people to raise issues and topics about the town. The Town Council, as part of its approach to community engagement chooses to have an agenda item at its formal meetings called "Public Participation" where members of the public can make representations, ask questions, answer questions and give evidence.

2. Overview

Members of the public have the right to attend, but no legal right to speak, at meetings of the Town Council and its committees, however the Town Council welcomes people's constructive contributions when they raise issues and topics about the town using the procedures set out in this policy and procedure document.

The Town Council's Standing Orders set the overarching principles for public participation at Town Council and Committee meetings, namely:

- Items raised at a full Town Council meeting may be on any topic relevant to Cullompton
- Items raised at a Committee meeting must be relevant to items on the agenda for that meeting
- Each member of the public may speak for a maximum of 3 continuous minutes

- The overall length of time for the public participation on an agenda is generally limited to 15 minutes – this includes the time for the members of the public to speak as well as for the responses to be given. The meeting Chairman may extend the time available for the public participation item but this is at their discretion and their decision is final.
- At a meeting of the full Town Council the Chairman (usually the Mayor) will decide whether the matter is to be referred to a Committee or if an oral or written response is to be given at a Town Council meeting.
- At a committee meeting the Chairman will decide whether an oral or written response is to be given
- The Chairman may direct that a response is not given if, in their opinion, the question / statement is defamatory, frivolous, abusive or has been previously raised at a meeting within the previous 6 months or requires the disclosure of confidential or exempt information. The Chairman’s ruling on this matter is final.
- Neither questions / statements etc. made by members of the public nor responses given will be the subject of further debate or discussion at the meeting.
- The Chairman, or any Committee Member may propose a motion under Standing Order 10 (xii) to not hear further from a member of the public , (xiii) to exclude a member of the public for disorderly conduct or any use any other appropriate Standing Order.

Public participation is not an appropriate time to

- complain about general problems such as routine maintenance of facilities
- demand information that is already publically available
- make complaints about individual members of staff (Please send the details of these direct to the Town Clerk)

PROCEDURE

Note: The arrangements may vary at the Town Council’s Planning Committee if

- a) an applicant wishes to speak about their planning application which is to be considered at the meeting
- b) if there are large numbers of people wishing to speak about the same planning application

Responses will not be given to comments or questions from members of the public on specific planning applications.

Before the Meeting

1. Any member of the public wishing to speak at a meeting is asked to contact the Town Council Offices at least 48 hours before the meeting starts to say that they will be attending the meeting and provide an overview of what they wish to speak about
2. Members of the public are encouraged to complete a public participation form which gives their contact details and brief information about what they are intending
