G23/022 CCLA Presentation. Presentation from Lee Jagger of the CCLA:

- CCLA has been around since 1958 and has a long history of managing funds. CCLA
 currently manages over £14bn of investments on behalf of its clients (Churches,
 Charities & Local Authorities). Around £3bn of this is managed on behalf of Local
 Authorities, ranging from the smallest parish councils to the largest principal
 authorities.
- CCLA is owned by its clients (effectively a mutual) and the local authority part is owned by the Local Authorities Mutual Investment Trust (LAMIT). The Local Government Association (LGA) support the appointment process to the LAMIT board. There are over 1000 Local Authority clients and around 600 Town and Parish Councils who invest with CCLA.
- CCLA is a leader in responsible investment, and it is truly at the heart of
 everything we do. It forms part of our foundations, and we strive to ensure that,
 as stewards of our client assets, we drive for systemic change which benefits our
 clients and communities.
- There is a section on this part of the CCLA website which contains more details about the funds for local authorities.
- Public Sector Deposit Fund (PSDF). The PSDF is a cash based, AAA rated, money market fund (MMF) with daily dealing and easy access to cash. The fund is low risk, provides good liquidity and good yield. There is a high level of diversification in this fund and only top-quality credit rated organisations are used. There is an initial deposit of £25k but this amount can be withdrawn to zero and the account used as and when required. There is daily access to this fund, you can move

funds into and out of the deposit fund as your cash needs arise, if we are informed by 11.30am the money will be back in your account the same day. Interest is paid monthly on this account. The current rate on the PSDF is 5.25%
